

## **Iulian IANCU**

### **Romanian National Committee of World Energy Council, Chairman**

Mr. **Iulian Iancu** has been Chairman of the Romanian National Committee of the World Energy Council since 2004.

He was the chairman of the Committee for Industries and Services within the Chamber of Deputies, Romanian Parliament, after having previously been Secretary of State within the Ministry of Economy and Trade between 2000-2004. Mr Iulian Iancu was Deputy Director General with Romanian Natural Gas Authority (ROMGAZ Medias) during 1999-2000, after having been nominated in several decision-making positions within the same company from 1985 until 1998.

He has authored over 30 scientific papers in the energy field nationally and abroad. During 2001-2004 he coordinated the drafting of the "Romanian Energy Strategy – 2025," for the best utilisation of renewables and energy efficiency in Romania.
