

## **Volker RAFFEL**

*CEO- E.ON Romania*

With over 25 years of experience within E.ON in various management positions, Volker Raffel holds a technical university degree, majoring in Physics (University of Karlsruhe, Germany), as well as engineering studies in France (Institute National Polytechnique de Grenoble), in Energy and Nuclear Energy. In Romania, he was part of the team involved, starting with 2004, in the privatization process of the former Electrica Moldova, later serving as Deputy General Manager of the E.ON distribution company until 2008.

Starting with August 2021, Volker Raffel came back to Romania to take over the CEO position of E.ON Romania, the main shareholder of the operational companies E.ON Energie Romania and Delgaz Grid. At the same time, he holds the position of President of the Federation of Associations of Utility Companies in Romania (ACUE), President of the German-Romanian Chamber of Commerce and he is a board member of the Foreign Investor Council in Romania.
