Mihaela COROIU
Executive Board Member and Chief Commercial Officer, Electroalfa

Dr. eng. Mihaela Coroiu is an experienced executive in the energy sector, with expertise in sustainable energy project development, regulatory support, business strategy, and international expansion.

Mrs. Coroiu is currently Executive Board Member and Chief Commercial Officer of Electro-Alfa group, contributing to the company's strategic growth through her industry knowledge and long-term vision focused on innovation and sustainable development.

She holds an MBA from the University of Buckingham, United Kingdom, and a PhD in Power Engineering obtained at the Technical University of Cluj-Napoca and she has been actively involved in international energy projects and initiatives focused on renewable energy, energy efficiency, regulatory frameworks, and financing programs across the Romanian and European markets.

Alongside her executive role, she is actively engaged in academic and research activities, serving as a lecturer for energy-related seminars and workshops, participating as a speaker at industry conferences, and authoring or co-authoring several research papers published in specialized journals.
