Sergiu Cărată

Senior Project Manager, Horváth

Sergiu Cărată is the Head of the Energy and Sustainability team at Horváth Romania.
Sergiu is a Strategy and Management consultant specialized in the energy sector, coordinating complex projects across the entire energy value chain.

His expertise spans a broad range of challenges across both traditional technologies (gas, oil, and electricity) and emerging solutions (RES, storage, hydrogen, CCS), supporting the advancement of sustainable energy solutions and the management of systemic risks within the energy market.

Sergiu began his career in London, focusing on Management projects across multiple industries.

He holds a Bachelor's degree in Mathematics and Business Management from the University of Birmingham, United Kingdom.
